

# Empty Handed

---

## Verse 1

We line 'em up while I listen to your stories  
The one about how you should've been an actress  
Or all the things that your cat got in  
Another shot down, one more...

I heard about how you hate your family  
Your daddy never really paid attention  
And all your friends how they're getting married  
I heard you but what for?

## Prechorus

It's a pointless conversation  
And a senseless waste of time  
When we both know why we came here

But we're a perfect combination  
In a place like this tonight  
So let me make this clear

## Chorus

Cause baby I'd hate to see  
This going nowhere and me  
Saying goodbye and leaving you stranded

So I gotta be honest here  
With the end of the night so near  
I don't want to go home EMPTY HANDED tonight

Don't wanna be empty handed tonight...

## Verse 2

Hours pass and I've barely even spoken  
Never once have you seemed to notice  
Don't really care what I have to say  
And yet you want me to stay

I know I've had a lot to drink tonight but  
It seems to me that you've already made your mind up  
Otherwise why the story of your life...  
If we just walk away?

A senseless waste of time

Don't wanna be empty handed tonight...

## Bridge

No one has to know  
It's only you and me...

So let's hurry up and go  
It's just the thing you need...you will see

## Prechorus

It's a pointless conversation,  
A senseless waste of my time  
When we both know why we came here

But we're a perfect combination  
In a place like this tonight  
So let me make this clear

EMPTY HANDED tonight  
EMPTY HANDED tonight  
EMPTY HANDED tonight
